FEDERAL BUREAU OF INVESTIGATION

Buffalo, New York September 28, 1962

SIR OSWALD MOSLEY

The September 14, 1962 edition of the "Buffalo Evening News," a local daily newspaper, page 31, contained an article entitled, "UB Lecture Series to Explore Five Political Ideologies." The article indicated that during September and October 1962, a lecture series titled "A Political Spectrum of a Contemporary World" would be held at the State University of New York at Buffalo (formerly known as the University of Buffalo) and that the speakers and their topics would be as follows:

September 26

Sir OSWALD MOSLEY, fascism

October 3

RUSSELL KIRK, conservatism

October 17

Senator EUGENE J. MC CARTHY, liberalism

October 24

NORMAN THOMAS, socialism

October 31

Dr. HERBERT APTHECKER, communism

The article indicated that the speakers had been unanimously approved by the Student Association at the university and by Dr. JOHN T. HORTON, Chairman of the Department of History and Government.

On September 24, 1962, BU T-1 furnished information that the Buffalo Workers World Party was distributing leaflets protesting the appearance of MOSLEY and that they were planning to picket the meeting on the University of Buffalo campus on September 26, 1962.

A characterization of the Workers World 157-13-186 Party appears in the appendix page attached.

SIR OSWALD MOSLEY

On September 24 and 25, 1962, articles appeared in the "Buffalo Evening News" and in the "Buffalo Courier Express," a local daily morning newspaper, which reflected a mounting opposition to the appearance of Sir OSWALD MOSLEY at the University of Buffalo. Most of the articles indicated that opposition to MOSLEY's appearance was based on the fact that he was alleged to be the leader of the British Fascist Party. In one article which appeared in the "Buffalo Courier Express" on September 25, 1962, it was mentioned that a group calling itself "Youth Against War and Fascism" had distributed leaflets urging a mass picketing of MOSLEY at the Main Street entrance to the university, at 1:00 PM, Wednesday, September 26. MOSLEY's speech was scheduled for 3:00 PM at Norton Hall on the university campus, on the 26th of September.

In connection with the above, it is noted that BU T-1 furnished information on September 24, 1962 that the Workers World Party, under the guise of "Youth Against War and Fascism," had circulated leaflets asking the recipients to join in a protest demonstration at the university against MOSLEY.

Another article appearing in the "Buffalo Evening News" on page 15 of its Complete Financial Edition for September 25, 1962, indicated that MOSLEY, when he received the first invitation to appear at the University of Buffalo, thought it was a joke, but that after some correspondence, he realized that it was in earnest and, thereupon, made arrangements to obtain a visa from the American Embassy at London. The same article stated that officials of the State University of New York at Buffalo had indicated that peaceful picketing would be permitted and that faculty and students were planning anti-MOSLEY demonstrations at the time he was scheduled to speak in Norton Hall Auditorium at 3:00 PM. Further, that the Chairman of the Anti-Defamation League of Binai Birith, in New York, had stated that the United States was "inviting riot and disorder" by permitting Sir OSWALD MOSLEY to lecture in Buffalo. Further, that the Chairman, HENRY EDWARD SCHULTZ, had described MOSLEY as "an unreconstructed

SIR OSWALD MOSLEY

"Fascist ... coming here in order to spread the doctrine that democracies must be overthrown." Further, it was indicated that Mr. SCHULTZ had sent a telegram to United States Attorney General ROBERT KENNEDY, urging that MOSLEY be excluded under the Immigration and Nationality Act.

In addition, an article appearing in the "Buffalo Courier Express," Four-Star Edition, September 26, 1962, indicated that New York State Senator WALTER J. MAHONEY, of Buffalo, had sent a telegram to Dr. CLIFFORD C. FURNAS, Chancellor of the University of Buffalo, urging that MOSLEY's appearance in Buffalo be cancelled. Mr. MAHONEY, the Republican majority leader in the New York State Legislature, termed MOSLEY's invitation "ill advised." The article stated that Chancellor FURNAS had said that he shared with Senator MAHONEY "the deepest antipathy to the doctrine which MOSLEY and other Facists expound," and added, "If there be an issue it is an issue of education. Evil ideas which in our age are spread about us must also be studied by scholars and students if they are dealt with."

The same article contained information that MOSLEY, on his arrival in New York from London on September 25, 1962, had denied to newsmen that he was a Fascist and said, "We call ourselves national Europeans. We believe in a common government as well as a common market. There is no suspicion of totalitarianism and no supression of human liberty. I've never been an anti-Semite and I've never attacked a man on the basis of his religion." He also stated he was receiving \$600,00 for his appearance which, he said, just about covered his expenses.

Further information in the article indicated that a number of student groups were planning demonstrations on the University of Buffalo campus when MOSLEY arrived and that a group of Jewish citizens, reportedly including rabbis, were planning a protest demonstration for 1:45 PM on September 26, on the steps of Lockwood Library on the campus. In addition, it said that three New York members of Congress, Representative EMANUEL CELLER, Representative SEYMOUR HALPERN and Senator JACOB K. JAVITS, had taken an exception to the granting of a visa to MOSLEY. Further,

CONFIDENTIAL

SIR OSWALD MOSLEY

that several local Jewish groups, including representatives of the United Jewish Federation of Buffalo, the Buffalo Chapter of the American Jewish Committee and the Western New York Regional Board of the Anti-Defamation League of Binai Birith, had registered protests against MOSLEY's appearance in Buffalo.

An editorial appearing in the Buffalo Courier Express," Four-Star Edition, on September 26, 1962, indicated that although many people dislike the idea of allowing MOSLEY to address a group of Americans, many of whom had suffered under the hands of German Nazis under HITLER, it was the American tradition; and that no one should try to deprive him of his right to speak; and that no one should attempt to do violence to his person, even though if the tables were reversed, no Fascist government would let an advocate of democracy live long enough to schedule a speech, let alone deliver it.

A story appearing in the Complete Financial Edition of the "Buffalo Evening News" for September 26, 1962, stated that a press conference with Sir OSWALD MOSLEY had been cancelled by officials at the State University of New York at Buffalo that afternoon while students carrying signs picketed Norton Hall. The officials said that the press conference had not been officially arranged by the university and, therefore, could not be held on the campus. The article also indicated that Norton Hall on the campus had been the center of a demonstration by students carrying signs protesting against MOSLEY's appearance and that Buffalo police were standing by to insure order. It also indicated that a group of demonstrators led by six rabbis, many of whom had been former occupants of concentration camps, and another group of demonstrators led by the President of the Buffalo Chapter of the National Association for the Advancement of Colored People were picketing in front of Norton Hall. The same article contained information that when in New York on September 25, MOSLEY had stated to newspapermen, "Fascism is out of date" and that he had no intention of meeting with GEORGE LINCOLN ROCKWELL, described in the article as the American Nazi leader. The article said that MOSLEY referred to ROCKWELL as "that lunatic ROCKWELL."

CONTACT

SIR OSWALD MOSLEY

The same edition of the "Buffalo Evening News" contained an article that seven students carrying placards had been at the Buffalo Airport at 9:30 PM on September 25, 1962, when MOSLEY arrived from New York, and that these placards had printed on them such slogans as "Keep Our City Clean" and "Unite and Fight the Ultra-Right." The article said the leader of the seven was Mrs. MARYANN WEISSMAN, 23, a part-time student in the State University of New York at Buffalo, where MOSLEY was to speak. She said she was temporary Chairman of the "Youth Against War and Fascism" and carried leaflets urging picketing on campus, beginning at 1:00 PM, two hours before MOSLEY's speech. The article also said that RICHARD ERB, President of the University Student Senate, and Miss ANN HEDDEN. Vice President of the Senate, were on hand to greet MOSLEY and escorted him by taxi to his overnight quarters, which they refused to name. It said that MOSILY told reporters that he had not been in the United States since 1926, when he was a member of Parliament and was "studying industry and social conditions in America."

BU T-1 furnished information in September 1962 that was a member of the Workers World Party at Buffalo, New York.

BU T-2 furnished information on September 25, 1962 that MOSLEY arrived at Buffalo Airport from New York City via Mohawk Airline Flight 215, at 9:30 PM on that date, and that he was met by representatives of the Buffalo Police Department, the Cheektowaga Police Department, and President and Vice President respectively of the Student Senate at the University of Buffalo. BU T-2 advised that in order to avoid any incidents, MOSLEY was placed in a taxi at the unloading ramp and was then escorted by the police to the Hotel Lenox at 140 North Street, Buffalo, where reservations for him had been previously made by representatives of the University of Buffalo Student Senate. BU T-2 said that the only demonstrators present at the airport at the time of MOSLEY's arrival were seven individuals, including and that and the other individuals were members of the Workers World Party.

b6

b7C

COMPHENIA

SIR OSWALD MOSLEY

He said that these individuals were not allowed on the field and did not get close to MOSLEY.

On September 26, 1962, BU T-2 advised that in view of the anticipated picketing at the University of Buffalo, the Buffalo Police Department made arrangements to "spirit" MOSLEY into Norton Hall at the University of Buffalo approximately two hours before he was scheduled to speak; and that in addition, they placed in the immediate vicinity of the university, but off the campus, a force of approximately sixty men, including the K-9 Corps (police dogs), in the event of an emergency. Further, that ten plain-clothes detectives from the Buffalo Police Department were in the building with MOSLEY and that traffic outside and the handling of the crowd was under the control of uniformed members of the University Police Department. BU T-2 stated that shortly after 2:00 PM on September 26, there was an estimated crowd of approximately 1,000 persons congregated in the vicinity of Norton Hall, most of whom were students; but that he had observed some members of the Workers World Party and members of a group in Buffalo who split with the Communist Party in the fall of 1961 as the result of a disagreement with New York State and National Communist Party officials and formed their own Marxist-Leninist group which so far has no formal name, circulating in the crowd, carrying placards, passing out leaflets and talking to various students. In addition, that there were approximately fifty individuals who were representing Jewish groups and who were led by several rabbis present, also carrying placards protesting MOSLEY's appearance and pointing out that the Jewish people had been persecuted by the Nazis, and millions had been slaughtered by them during the war. He said that for the most part, the students who made up the bulk of the crowd were in a holiday mood and seemed to be there to see what was going on. He said that impromptu speeches were made by several persons in the b6 crowd, including an individual known to him as b7C and that these individuals in their speeches, although they protested against MOSLEY's appearance and were critical of what he represented, urged the crowd to let him speak but to indicate to him that they did not approve what he said. One speaker suggested that they turn their backs on MOSLEY when he was speaking. However,

CONFIDENTIAL

SIR OSWALD MOSLEY

according to BU T-2, at approximately 3:30 when the word circulated among the crowd that MOSLEY was already in the hall, interest began to wane, and by 4:00, most of the persons in the group had left the campus, including the members of the Workers World Party and the Marxist-Leninist group. Bu T-2 said that in his opinion, the action of the Buffalo Police Department in "spiriting" MOSLEY into the hall before the crowd gathered probably averted a disturbance.

BU T-3 furnished information in September 1962 that was a member of the dissident Communist Party faction in Buffalo which organized its own Marxist-Leninist group in the fall of 1961, not as yet named, as the result of a dispute with New York State and National Communist Party officials.

b6 b7C

BU T-1 furnished information on September 26, had stated on that same date that he believed that his group was responsible for the building up of the demenstration at the University of Buffalo said that his group had campus against MOSLEY. put out approximately 7,000 leaflets in connection with MOSLEY's appearance, which urged people to picket the However, according to BU T-1, complained meeting. that at the last minute, lickets previously issued for the meeting were cancelled by the university officials, and special faculty passes available only to students and members of the faculty were used for admission to Norton Hall. He said that as a result, members of his group who had planned to attend the meeting were unable to do so. He also said that at one time during the demonstration, he felt that the students would storm into the meeting hall but that this did not happen.

Articles appearing in the September 27, 1962 issues of the "Buffalo Evening News" and the "Buffalo Courier Express" commented on MOSLEY's address to the students of the University of Buffalo on September 26, 1962, and indicated that an audience of more than 1,000 were in the room where MOSLEY was speaking and that several

COMFIDENTIAL

SIR OSWALD MOSLEY

hundred others listened to loud-speakers in other parts of the building; and that it was restive but restrained during his sixty-minute lecture. The articles indicated that the audience heard MOSLEY through, returning infrequent taunts, as he talked of the "Fascist philosophy," past and present, but that hostility erupted during a question period.

One article in the "Buffalo Evening News," Complete Financial Edition of September 27, 1962, stated that MOSLEY had denied that he personally supported the Axis powers while interned in Britain during World War II and that he had sympathy with the Nazi cause. MOSLEY also claimed that he was not and never shall be an anti-Semite, at which several members of the audience accused him of lying and of being a Nazi. One of the members of the audience, according to the article, HERSH L. ADLERSTEIN, the Regional Director of the Anti-Defamation League of Binai Birith, stood and, pointing an accusing finger at the speaker, said, "You are a racist. You are a black shirt. I challenge you to a libel suit." Mr. ADLERSTEIN then walked toward Sir OSWALD, according to the article, and handed him an identification card. Other individuals present in the audience during the question period accused MOSLEY of being a fascist and of being an anti-Semite.

The same article stated that for the purpose of protecting the speaker and preventing damage to property, university officials had required all members of the audience to check their topcoats and brief cases outside the meeting room.

The same edition of the "Buffalo Evening News" contained an article which stated that State Senate Majority Leader WILLIAM B. MAHONEY, during an address before the Buffalo Rotary Club in the Statler Hilton Hotel, Buffalo, that same date, had said that "the availability of platforms in state-supported institutions must be restricted by idefining a line between freedom and license." He indicated, according to the article, that he would send a letter to FRANK C. MOORE, Chairman of the Board of Trustees of the State University of New York, asking the board's

cooperation in determining this line. MAHONEY indicated that the "untutored minds" of university students must be protected from people whose basic premise is use of violence in any form."

An editorial captioned "Call in the Truth Squad," which appeared in the Complete Financial Edition of the "Buffalo Evening News" for September 27, 1962, in commenting on MOSLEY's speech, said, "As might have been expected, the bland OSWAID MOSLEY defense of fascism as a philosophy -- coupled with a weak so-sorry for its !disastrous! exaggerations under HITLER--bore no conceivable connection with the true face of fascism as the horrified world saw it rise to swaggering power until it finally brought itself and all its hateful works to utter ruin in a global catastrophe." The article expressed the hope that none of the University of Buffalo students would be so naive as to expect, now he had "heard all about fascism" from MOSLEY, to learn anything significant about communism from a spokesman for that ideology at the other end of this series. The article commented that it was hoped that the promoters of the lectures would want some sort of intellectual "truth squad" to follow these apologists for Nazi horror camps and Red slavery, and tell what the record shows about these parallel forms of evil tyranny that have made this in many respects the most brutalized century since civilization began. The editorial commented too that the series has no place on its program for moderate Republicanism as represented by this state!s principal elected officials, its governor and two senators.

On September 27, 1962, BU T-2 furnished information that Sir OSWALD MOSLEY had left Buffalo that same morning at 7:15 AM via the American Airlines for New York City, en route to England. According to BU T-2, he received information that MOSLEY, who had originally been scheduled to leave Buffalo on the afternoon of September 28, 1962, left early at the request of either university officials or members of the university Student Senate who were afraid that his continued presence in Buffalo might cause additional picketing and trouble.

On April 17, 1959, a source advised that on February 12, 1959, a Socialist Workers Party (SWP) minority group, under the leadership of National Committee member, b7C split from the SWP.

The source stated that this minority group, referred to as the Marcyites, after many years of program and policy differences on varied issues concerning tactics and interpretation of political events, split from the SWP on the grounds that the Party was liquidating itself by departing from the Marxist precepts of LEON TROTSKY and retreating from the fight for the world socialist revolution. The final issue which ultimately forced the split was the minority's opposition to the SWP regroupment policy which involved cooperation with the Communist Party (CP) periphery - individuals characterized by the minority as petty - bourgeois.

The minority program, according to the source, advocates unconditional defense of the Soviet Union and has as its goal the building of a revolutionary party with a complete proletarian orientation for the purpose of overthrowing capitalism in the United States and throughout the world.

On May 12, 1962, the source advised that this minority group had chosen the name Workers World Party.

On April 18, 1962, the source stated that the headquarters of the Workers World Party were located at 46 West 21st Street, New York, New York.

The SWP and the CP have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

sas and Charles E. Samball, who conducted a discreet surveillance at the airport. In addition, his stay at the Hotel Lenox was covered through the cooperation of hotel. It is noted that on 9/26/52, Mr. advised SA that the subject, after he arrived at the hotel, had issued instructions to the desk clerk that all incoming calls were to be routed to the University of Buffalo and that he, himself, was not accepting any calls. He did make two calls on the late evening of 9/25/62, one to a member of the Staff at the University of Buffale, and the other to the Buffale VBI Office.

His call to the Buffalo Office was referred who was in the Office by the night clerk to SA b7C at that time. MOSLEY told SA that he had been instructed by the Rebessy in London to call the PRI office when he arrived and that he had also received similar instructions that same date from a member of the New York City Police Department, Special Squad, which had provided him with an escert during the time that he was in New York City. When questioned by the Agent as to whether his instructions from the United States Embassy in London had been to call the Immigration and Naturalization Office, rather than the FBI, he maid that he was merely told to call the Department of Justice in Buffale when he arrived, to report his presence in Buffalo and his address. He said he was staying at the Hotel Lemon, 140 North St., Buffale, in Room 643, and that he expected to leave Buffalo for New York City on route to London on Friday afternoon, 9/28/62. The Agent thanked Mr. MOSLEY for calling and said that the information would

It is also noted that a representative of the Immigration and Naturalization Service (INS) was in attendance at Horton Hall during the time that MOSLEY was speaking on Wednesday, 9/26/62.

It is further noted that on the evening of 9/26/62, an individual who did not furnish his identity called the Office and advised Clerk that MOSLEY would leave Buffalo for New York City at 7:15 AM-the morning of 9/27/62, via American Airlines.

Additional information obtained from Manager of the Lenox Notel, on 9/26/62, indicated that subject had no visitors that same morning and, with the exception of having breakfast in the hotel Dining Room, he remained in his room until approximately 11:30 AM when a representative from the University of Buffalo arrived at the hotel to pick him up. Further, advised Agent on 9/27/62 that after MOSLEY returned to the hotel in the early evening of 9/26/62, he had no visitors, but that there were two Buffalo Police Department plain-clothes men stationed in the hotel lobby to keep unauthorized persons away from the subject. He also advised that MOSLEY made a long-distance call to New York and talked for approximately twelve minutes, but that the relief operator on duty had failed to obtain the number in New York that the subject called. MOSLEY made three local telephone calls, and it was later determined that two of these calls were to the University of Buffale and one was to the Arrangements have been made to contact PBI Office. on or after 10/19/62, when he receives the hetel bill from the New York Telephone Co., in order to obtain the number in New York that MOSLEY called.

AMERICAN NAZI PARTY

On October 6. 1962.	
Maryland,	
Maryland, and	
, Maryland, advised Special Agents	
of the Federal Bureau of Investigation that the Fighting American	
Nationalists (FAN) were going to picket in Philadelphia,	
Pennsylvania, October 12, 1962, at the site where a speech was	b
to be made by the Communist leader, Gus Hall.	b

A characterization of the Fighting American Nationalists (FAN) is attached hereto.

On October 9, 1962,

as a lieutenant in the American Nazi Party and working out of the headquarters of the group in Arlington, Virginia, filed a petition in the United States District Court, Eastern District of Pennsylvania, Philadelphia, Pennsylvania, for a writ of mandamus pleading that the court issue the writ to force the Philadelphia Police Department to afford the American Nazi Party protection of pickets on October 12, 1962. The American Nazi Party planned to demonstrate with pickets in front of the Adelphia Hotel October 12, 1962, when Gus Hall, Communist Party spokesman, was appearing that day. It was alleged in the petition that the Philadelphia Police Department had not properly afforded the American Nazi Party protection of its pickets when they last demonstrated in Philadelphia.

A characterization of the American Nazi Party (ANP) is attached hereto.

The petition hearing was held before United States District Judge Allen K. Grim, Eastern District of Pennsylvania, Philadelphia, Pennsylvania, October 10, 1962. Judge Grim denied the petition.

On October 12, 1962, confidential informant PH T-1, who has furnished reliable information in the past, advised that at 11:20 a.m. telephonically advised Captain of the Philadelphia Police Department, Intelligence Squad, that the ANP, headquartered in Arlington, Virginia, would send five members of the organization to Philadelphia, Pennsylvania, that date to picket the Adelphia Hotel at 7:30 p.m. The reason for the picket was the appearance at the hotel of Gus Hall, a spokesman for the Communist Party.

On October 12, 1962, Special Agents of the Federal Bureau of Investigation observed a black 1950 Chevrolet stop at the corner of 13th and Chestnut Streets in Philadelphia at 7:26 p.m. Five individuals with Nazi uniforms and carrying picket placards got out of the automobile. After the pickets got out of the automobile, it drove north on Chestnut Street out of the area. Due to the huge crowd, the pickets could not be observed when they went to the front of the Adelphia Hotel. The crowd surged forward with much shouting at the pickets. The police took the pickets into custody and took them out of the area in a patrol-wagon. Several spectators were also led from the scene by the police. The pickets were away from the scene within two-minutes from the time of their arrival.

PH T-1 advised that the following individuals were arrested:

	b6 b7C
Detective badge number Central	
Detectives. 20th Street Police Station, was advised by Captain badge number and Captain badge they were on duty at 13th and Chestnut Streets where the	e number
Adelphia Hotel is located. They were aware of the contemplate picket of Gus Hall by the ANP and were there to handle the sit at the scene. Approximately 1,500 to 2,000 people were in the	

American Nazi Party immediate vicinity of the hotel when the five Nazi-dressed individuals alighted from an automobile and attempted to picket at approximately 7:30 p. m. The crowd immediately became incensed and several bystanders attempted to do harm to the pickets. For this reason, the five were arrested. Five placards bearing anti-Communist and anti-Jewish slogans and Nazi arm bands and medals were taken as evidence. The subjects in interview advised Detective b7C they were ANP members and had volunteered for the mission of picketing at the Adelphia Hotel in Philadelphia where Gus Hall was scheduled to speak that evening. The subjects were charged with inciting to riot. disorderly conduct and breach of peace. They were afforded an immediate hearing before Magistrate E. David Keiser and remanded to jail in lieu of \$2,500 bond each. A further hearing was set by the Magistrate before him on October 19, 1962. subjects had not made bond as of October 18, 1962. On October 17, 1962, their plea for reduction of bond before Judge Ethan Allan Dody, Philadelphia County Court, was denied. PH T-1 also provided a photostat of the "Activity Record" emblazoned with the ANP emblem, 928 North Randolph Street, Arlington 3, Virginia, Box 1381, JA 4-5831. One of the pickets gave this "Activity Record" to an officer on duty. The "Activity Record" contained the following information: Type of Action: Picketing Date: October 12, 1962 Place: Adelphia Hotel, Philadelphia, Pa.

Time: from 7:30 p. m. to 8:30 p. m.

Purpose: To support the Free Enterprise economic system: and to protest the appearance in Failadelphia of Gus Hall of the Communist Party, USA.

Wording of signs or description of literature:

- (1) Go home, Gus Hall (Go Home, Jew "War" Veterans)
- (2) Free Enterprise is here to stay (Nazism is here to stay)
 - (3) Karl Marx was a crackpot (Karl Marx was a Jew)
- (4) J. Edgar Hoover was right; Communism is treason (Hitler was right; Communism is Jewish)
- (5) Free Enterprise, Yes! Communism, No! (85) percent convicted Red Spies have been racial Jews)

PH T-1 also advised that after the incident of the arrest of the pickets, the occupant of an automobile, bearing New Jersey tag GCF 735, inquired of an officer on duty at the hotel as to the whereabouts of the pickets.

T-1 advised there were no arrests other than the above-mentioned subjects.

questioned by police authorities in regard to a pamphlet he was passing out approximately an hour after the pickets were arrested. The pamphlet was entitled "F-A-N Action" which is published periodically by the Fighting American Nationalists according to the pamphlet. The pamphlet was titled "Crimes of Gus Hall's Comrades." The text of the pamphlet depicts Hall as leader of the Communist Party, United States of America, that he wants to "bury you, your family and your loved ones, and Khrushchev is his boss." Hall, as agent of the Soviet Union, is speaking in Philadelphia to give instruction as to how the Communist rats will accelerate the burial of American traditions of Christian decency and justice. Hall's dream is

to be Commissar of the Soviet States of America. His plan is to repeat what happened in Poland, Hungary, Latvia, Estonia, Yugoslavia and countless other nations. Hall demands and gets police protection while those who would oppose him do not.

The pamphlet goes on to say the FAN are on the streets protesting the presence of the Communist beast, Gus Hall, in Philadelphia. That is the reason for formation of FAN units across the nation to rally white Christian Americans everywhere to stand up against the Communist menace.

Further information regarding the FAN program can be obtained by writing to Post Office Box 103, Baltimore 3, Maryland, Post Office Box 1432 Reading, Pa., or National Headquarters, Suite 412, 711 14th Street, Northwest, Washington 5, D. C.

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party (ANP) advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized by as an anti-Communist organization. ROCKWELL said FAN was organized in September 1960 and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of ADOLF HITLER. ROCKWELL stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method of getting recognition in their fight

against Communism. Soon these individuals join the ANP, ROCKWELL

b6

A source advised on February 17, 1961, that in talking to Deputy Commander, ANP, there is no legal connection between FAN and ANP, but FAN was organized under the guidance of ROCKWELL and it is used as a front group dominated by the principles and objectives of the ANP and looks to GEORGE LINCOLN ROCKWELL as its leader.

Gentlemen:

I am sending the attached to you because I feel I must do something with it. It came to me yesterday in the plain white envelope just as I am sending it to you. The fact that my name is on a mailing list anywhere to receive this vile material really frightens me.

Last week, I believe it was, I received the first of it, but as I recall the material was from some organization containing the word "Truth" in its title--Truth Seekers or Truth Finders, or some such name. I assumed it was some bigoted group seeking support and, unfortunately, I burned it with other trash in the incinerator. I have no way of knowing whether this came from the same place, but presume it did, and I am afraid I shall continue to receive such material. They may think I am a man and a likely candidate for their campaign, but I am neither.

So far as I can remember I do not use on any of my subscriptions nor is it in the Queens telephone directory in that manner. I do have my name in that manner on the door of my apartment, and it may be that is the way in which they are building their mailing list.

I do not know that there is anything you can do about stopping the mailing of such vile material of an anonymous source, but I shall feel better just knowing I have reported to you that my name is on such a list through no fault of mine.

on 11/9/62, NYC, appeared at the NYO and advised that since the early part of 1952, she had contributed about \$1500 to the ANP.
Mr. stated that she had never personally met GEORGE LINCOLN ROCKWELL, leader of the ANP, but had written to both him and had spoken to him on the telephone. Mrs. further advised that she first became interested in the ANP because of its strong anti-Communist stand and because she felt that the ANP was an effective righting force against the Communist Party.
Mrs further stated that she has since learned the true nature of captioned organization and even though she is strongly anti-Communist, she does not feel that continued financial support of the ANP provides an effective weapon against the Communist Party.
Mrs. stated that she has already taken steps to discontinue her association with the ANP.
Enclosed herewith for the information of Richmond are four pieces of literature furnished by Mrs consisting of one pamphlet entitled The German Report marked Top Secret; a pamphlet entitled "Commanders Confidential Report"; a circular containing newspaper stories concerning the activities of the ANP and ROCKWELL and a letter dated 11/12/62, to Mrs from Captain, ANP, thanking her for a recent \$50 contribution.

AMERICAN NAZI PARTY, ALSO KNOWN AS WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the Arrican Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards; talks by ROCKWELL attacking Jews as traitors to the United States; attempts by ROCKWELL to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. ROCKWELL prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

AMERICAN NAZI PARTY, ALSO KNOWN AS WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Rockwell, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these main objectives, has consisted of picketings with anti-Jewish and anti-negro placards; talks by Rockwell attacking Jews as traitors to the United States; attempts by Rockwell to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. Rockwell prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

NATIONALIST PARTY

On June 28, 1962, Detective Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised that the Nationalist Party (NP) was formed on September 21, 1961, and although it has no actual headquarters, continues to maintain a "mail drop" at 507 Fifth Avenue, New York City.

b6 b7C

•	Detective further advised that although Luke Donner has no official title as an officer of the NP, he in actuality controls the activities of the NP.
	Detective stated that even though activities of the NP consist of anti-communist demonstrations, members of the NP have in the past exhibited anti-semitic sympathies, and stated that Luke Donner mentioned above attended a meeting of the Fighting American Nationalists)FAN) which was held in New York City on December 4, 1960.
1	On August 2, 1962, a confidential source advised that the NP activities are openly anti-communist. However, this source stated, members of the NP have strong anti-semitic sympathies which they do not reveal openly since they feel disclosure of such sympathies would lose many supporters for the NP.
;	The above source further advised that the NP continues to join with other organizations in anti-communist demonstrations thereby giving the impression of having a greater membership than it actually has.
	FIGHTING AMERICAN NATIONALISTS
	On February 23, 1961, George Lincoln Rockwell, Leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized by as an anti-Communist organization. Rockwell said FAN was organized in September, 1960, and it is a separate and distinct group from the ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles Of Adolf Hitler.
٠.	Rockwell stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against Communism. Soon these individuals join the ANP, Rockwell said.
	Rockwell continued, there are three members of the FAN in Washington, D.C.: the National Director, and
1	A source advised on February 17, 1961, that in talking to Deputy Commander, ANP, stated there is no legal connection between FAN and ANP but FAN was organized under the guidance of Rockwell, and it is used as a front group dominated by the principles and objectives of the ANP and looks to George Lincoln Rockwell as its leader.

I. ORGANIZATIONAL STRUCTURE

A. HEADQUARTERS

GEORGE LINCOLN ROCKWELL, self-designated leader of American Nazi Party (ANP) and members of ANP continue to maintain national headquarters of ANP at 928 North Randolph Street, Arlington, Virginia. The property is owned by FLOYD FLEMING, a long time associate of ROCKWELL's who is in sympathy with ANP.

(RH T-6, 1/30/63)

A characterization of ANP is in the appendix of this report.

About seven members of ANP live in property located at 6150 Wilson Boulevard, Arlington, Virginia. This property is commonly referred to among ANP members as the "mansion" and/or "Auxiliary Headquarters". It is secluded on a 26 acre piece of property. Two of the married members live here with their wives and children. ROCKWELL's personal secretary, also lives at this address.

(RH T-6, 1/30/63)

D. FINANCE

ANP has not been paying rent to FLOYD FLEMING, owner of ANP Headquarters regularly. The party is constantly behind in the rent payments. FLEMING has been forced to come to ANP Headquarters in person and demand payment. In spite of this, he only has obtained partial payment and promises from ANP to try and do better.

(RH T-6, 1/30/63)

(RH T-5, 1/22/63)

ROCKWELL has written at least two letters to Latin American Countries attempting to stimulate interest in ANP. He has used this tactic in the past where he is trying to get financial aid. About one year ago, he used this tactic in an unsuccessful attempt to finance a trip to Australia.

ANP has been in poor financial condition during recent months. ROCKWELL pled with Judge HUGH REID of Arlington County, Virginia Juvenile and Domestic Relations Court. ROCKWELL was told that Judge REID was preparing to

R

issue a warrant for ROCKWELL because ROCKWELL had not paid in full the December, monthly support, payment for his estranged wife and family.

(RH T-5, 12/21/62)

The main sources of income for ANP are subscriptions to the ANP publication, dues of members, and donations from sympathizers and associates. He said there are no known large contributors to ANP.

(Detective Arlington County, Virginia Police Department, 2/4/63)

lives at ANP Headquarters and whose home is Baltimore, Maryland, is working closely with members of the Fighting American Nationalists, (FAN) in Baltimore. described himself as "ramrod" of the group. He said the Baltimore FAN members show prospect of becoming hard core members of ANP, and he is working toward that end.

(RH T-5, 9/18/62)

A characterization of FAN is in the appendix of this report.

ROCKWELL returned to ANP Headquarters on August 10, 1962 after a 13 day trip to Great Britain. He left Headquarters on July 28, 1962 en route to Shannon, Ireland by Commercial Airlines. From Shannon, he illegally entered Britain. He took part in a meeting of Nazi sympathizers who represented several countries. ROCKWELL said he believed this meeting made progress toward the foundation of a worldwide Nazi organization.

(RH T-5, 8/15/62)

The "Rockwell Report" issue Number 21, dated August 15, 1962, which is a semi-monthly publication printed at 928 North Randolph Street, Arlington, Virginia, carried an article entitled "A White Mans Internationale At Last". Following the article was a micro-photostat of

of the "Cotswald Agreements". The article stated, "Here you can read the entire COTSWALD AGREEMENTS; - the first formal alliance between national groups based solely on RACE and the doctrines of the world's foremost racist Adolph Hitler!" The Cotswald Agreements purports to be the document which formed an organization calling itself "The World Union of National Socialists" or "WUNS". Spaces on the document were left open so that representatives could sign for their country, i. e., Great Britain, the United States, Germany, Austria, France, the Irist Republic, and Belgium.

Purposes of the organization are listed as follows:

"Immediate:

- "1. To form a monolithic, combat efficient, international political apparatus to combat and utterly destroy the international Jewish, Communist and Zionist apparatus of treason and subversion.
- "2. To protect and promote the ARYAN RACE and its WESTERN CIVILIZATION, wherever its members may be upon the globe, and whatever their nationality may be.
- "3. To protect private property and free enterprise from Communist class warfare.

"Eventual:

- "1. To work toward the unity of all White People in the National Socialists World Order.
- "2. To work towards suitable arrangements with non-white leaders of other races to advance racial dignity and justice for each race on the basis of total and absolute geographic separation of the races.
- "3. To work towards just allocations of suitable and reasonable portions of the earth's surface for the exclusive sovereignty of the Black Race of the Yellow Race of the Red Race and the Brown Race.

5

- "4. To work toward the eventual world ORDER, based on RACE, with just representation from each RACIAL group.
- "5. To find and accomplish on a world-wide scale a just and final settlement for the Jewish problem."

By letter dated October 3, 1962, ROCKWELL contacted be "Messrs. and Nacional-Socialista Argentino, Buenos Aires, Argentina". In the letter he identified himself as the International Commander, Protempore of the World Union of National Socialists. He told the addressees that he would like to know what they thought of the possibility of having a World Nazi Congress in Argentina during 1962.

(Foreign Source Abroad Number 1, 12/14/62)

A letter dated November 25, 1962, was sent to "The Mexican Fibure Company, Est., Manuel, Tamaulipas, Mexico." It was signed "Lincoln Rockwell", "Commander, American Nazi Party, World Union of National Socialists". The letter indicated ANP was attempting to locate a Mexican National or Nationals who would assume ownership of a broadcasting company which ANP was planning to form in Mexico. The station allegedly would beam educational broadcasts to the United States in English.

The letter pointed out, "No less than 60% of the corporate holdings of such a company must be retained by persons who are Mexican citizens. The entire, actual capitol investment for this undertaking itself has already been assured by one of our best supporters here in the U.S."

The letter requested that an interested party contact ANP.

(Foreign Source Abroad Number 2, 12/7/62)

II. OBJECTIVES

Objectives of ANP have not changed since its inception. GEORGE LINCOLN ROCKWELL daims he will be the elected president of the United States in 1972 as ANP's candidate. This will be accomplished through the use of speeches, picketing, and distribution of literature printed at ANP Headquarters.

(Detective b6 b7c Arlington County, Virginia Police Department, 2/4/63)

It is noted more specific objectives of ANP are set forth in the "Miscellaneous Section" of this report where the "purposes of the corporation" are listed. The corporation referred to is "The George Lincoln Rockwell Party".

III. MEETINGS

Weekly meetings are held at ANP Headquarters or in the "Mansion", 6150 Wilson Boulevard, Arlington, Virgina. The business discussed usually concerns activities which occurred during the previous week. Seldom are members told of any long range plans or of plans outside the United States. The members in attendance are solicited to participate in activities which are planned for action within the day or two following the meeting.

the sheet appears a picture captioned "Gordon Link - em (Fearless Fosdick) Hall! Opposite this picture is one of George Lincoln Rockwell captioned "George Link - em (Mighty Mouth) Rockwell". Under the two photographs is a caption stating "Gordon Hall (the Boston sewer rat) who specializes in linking patroits to George L. Rockwell, has finally been nailed at his own dirty game. His long record association with Red organizations would make Alger Hiss look like a cream puff." The lower section of the sheet, in a small box captioned "The Saturday Evening Post" the bulletin states "Political extremist; of which he is a leading example. This time he was grabbed by the police and tossed into jail. On both occasions the first person to spring to Rockwell's defense was a man named Gordon Hall." Below that an excerpt probably from "The Brooklyn Tablet" - "Rockwell is unable to come to New York as there is a warrant out for his arrest. His aide Seth David Ryan was observed meeting with Gordon Hall at the Hotel Lexington, New York City this spring (probably spring, 1962)." In the center of the bulletin under the caption "The Wanderer" "Gordon Hall of 222 Mariboro Street, Boston, Massachusetts, who met with Nazi Ryan is well known as an anti-Communist who was active in the anti-Nazi league although he is reported as having distributed anti-Semitic literature personally." On the left is a quote reportedly from "The Herald of Freedom" - "Rockwell's aide Seth David Ryan was observed meeting with Gordon Hall at the Hotel Lexington, New York City this spring. Gordon Hall of 222 Marlboro Street, Boston, Massachusetts, is a well known anti-anti-Communist. (Together with Charles R. Allen, Jr., he ploted to use the Anamist Party now known as the National Renaissance Party to smear Senator Joseph McCarthy. A co-conspirator and financial backer was Vladimir Stepankowsky who had been identified as a Soviet Agent.)"

It was founded in 1949 by James H. Madole, who is in complete control of the Party. MUST MEN STARVE TO GET JUSTICE IN PHILADELPHIA?

The most magnificient characteristic about our American Republic is that it is a government of rule by law -- not men. Whenever rule by law is replaced with rule by men, you have tyranny.

The basis of the law of our American Republic is the United States Constitution. This great document was born in Philadelphia. Today there is a good chance it will die there -- unless a gross travesty is rectified immediately. Here are the facts:

THE CONSTITUTION SAYS....

* AMENDMENT I A

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

But yet on October 12, 1962, in Philadelphia, five American citizens were arrested when they tried to legally and peacefully picket an appearance of the Communist leader, Gus Hall, at the Adelphi Hotel. They were proceeding peacefully, but were attacked by a savage mob and beaten. The picketers were arrested; the savage attackers were not.

The five are: Bernard Davids, Robert Sharp, Bernard Cook, Paul Uhrig and Edward Kester. All are charged with "disorderly conduct"

* ARTICLE !

SECTION 9.

The privilege of the writ of habeas corpus shall not be suspended, unless when in cases of rebellion or invasion the public safety may require it.

Yet the petitions for writs of habeas corpus, an action commanding immediate attention, for these five citizens were delayed, postponed, and pushed aside without reason FOR OVER TWO MONTHS!!

AMENDMENT VI,

esselve de pres b

In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial

But these five young men were first arrested on October 12. Their hearing was then postponed until October 19; then postponed until December 3, then until December 7. Then their trial was put way off until January 3. When that day came it was again postponed until January 14. On the 14th it was still again postponed -- this time until January 24. And on the 24th, IT WAS AGAIN POSTPONED -- until God knows when!! And all of this on simple "disorderly conduct"

AMENDMENT VIII.

Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishments inflicted.

Yet the bail on these citizens for simple misdemeanors was set at the outrageous figure of \$2,500 apiece -- a total of \$12,500 for SIMPLE MISDEMEANORS!!!

These innocent men committed no crime. They have been jailed going on three months. But they cannot get their case heard. Everytime it is set for trial, it is postponed at the last minute -- without reason.

That these innocent young men are members of a minority political group, the American Nazi Party, has no bearing on the rights which they as American citizens are guaranteed by the Constitution.

The five innocent men have received no satisfaction from the courts after three months of effort.

They turn now directly to you, the people. They have gone on a hunger strike. They will not eat another morsal of food until their case is brought before a judge for trial. They will starve to death if necessary. In doing so, they safeguard the rights of us all.

Protest this outrage! Call the District Attorney! Call the Mayor! Call your newspaper, radio and TV stations! Demand that these innocent men be brought to trial now! Enlist the support of your friends.

Five innocent Americans are in jail starving at this moment. They ask no special treatment -- only that their case be brought to trial.

Get on the phone NOW!

This article described the CLU as an amalgamation of many different campus action groups and stated it was comprised of Cornell University undergraduates, graduate students and faculty members.

An earlier issue of the CDS, on 3/14/62, stated the CLU would consist of five committees dealing with campus and local issues, civil liberties, civil rights, disarmament and American Foreign Policy. This article of 3/14/62 related the Civil Rights Committee of the CLU would strongly support the non-violent integration movement in the North and South.

On April 1, 1963, a source who has furnished verified information, but with whom contact has been insufficent to establish reliability, advised that previously reported by source as being under investigation by the Immigration and Naturalization Service, is currently considered an "Associate Member" of the American Nazi Party (ANP) and is residing at Arlington, Virginia.
A characterization of the ANP is attached hereto.
The source advised that, to his knowledge, no printed matter has indicated that the ANP had built or was building gas chambers or crematoriums for the extermination of traitors; however, according to the source, spokesmen for the Party frequently use the propaganda value of inferring that such is the case. Source stated that in the past Rockwell, self-designated leader of the ANP has made such reference and in such cases has in mind the activities of one Detroit, Michigan.
Source stated that an "Associate Member", drives a Chevrolet Corvair bearing District of Columbia tags issued for 1963.
One an "Associate Member" was reported by source as the driver of a 1956 red Chevrolet carrying Virginia 1962 tags

The Honorable William W. Scranton Governor of Pennsylvania Harrisburg

My dear Governor:

Do you believe in the Bill of Rights and the Constitution of the United States of America? Have you not been sworn to uphold these, as well as the Constitution of the State of Pennsylvania? No matter how hard I search these documents, I cannot find any law prohibiting peaceful and orderly demonstrations or lawful distribution of circulars.

Why, then, on October 12, 1962, were five men arrested and held on four counts at bail of \$2,500 each for meerly seeking to voice their opinion by attempting to picket the vile Communist traitor, Gus Hall? The five men are and They were charged with Riot, Incite to Riot, Breach of the Peace, and Disorderly Conduct. They are members of the American Nazi Party-George Lincoln Rockwell, Commander--based in Arlington, Virginia.

To date they have served thirty days in jail for the Disorderly Conduct charge and are awaiting hearing before a jury on the revised charge of Conspiracy to Incite to Riot. Three of them are still in jail, with bail set at \$1,500 each.

of October, 1962-and would be willing to testify under cath that the only riotous elements present were in the crowd. These five men had barely set their feet on the pavement when they were rushed by hundreds of raging Communist sympathizers who had gathered outside the Adelphia Hotel at 13th and Chestnut Streets, where Hall was speaking, with the express purpose of causing trouble. There could be notdoubt that the purpose of many persons in that crowd was exactly to incite the rest of the mob to riot against the Nazis. Although these elements attacked the five Nazis, actually knocking two or three of them to the ground, not one of these persons was arrested or even held. Yet the five Nazis were arrested and charged as earlier described.

APR 1963/ b6
1 YORK 570

The Honorable William W. Scranton Page 2 18 February 1963

Has no one ever stopped to ask how it could be possible for five men-even dressed in American Nazi uniform and carrying anti-Communist picket signs-to cause a riot among some two thousand people? That night there were entire squadrons of police standing by to make sure that the Communist Hall's right to speak was protected. I saw them myself, lined up for blocks. Why were they not equally available to protect the rights of the A. N. P.? Or do you call the treatment they received "protection"?

The Communist Party is unquestionably subversive.

The A. N. P. is not and cannot be listed as subversive, as it falls in line with the original laws of the land. Those which you, Governor Scranton, have pledged to defend and uphold. The police were there to protect the Reds; but two days before, Captain and Lieutenant of the A. N. P. sought such legal protection from

the Philadelphia police and were refused such protection and were commented upon hostilely for seeking such protection by prominent City officials. What sort of law is this?!

The only ones who seem to have benefited from the riot scene are the Reds, who seem to take pride in the following lies and distortions of facts:

"Gus Hall came to point a steady finger in the certain direction of America's tomorrow. (!)

"But there were others who came here that day on an opposite mission. They came to preach violence against all that is glorious, sacred and durable in the lofty traditions bequeathed our nation by the founding fathers, who in this city had worked so well to fashion Constitutional instruments and institutions that conceived and projected our liberties (!!!). These were the members of a 5-man contingent from the Arlington, Va., national headquarters of the American Nazi Party. They defiled the streets with their jack-boots. And on the streets where Thomas Paine's "Rights of Man" was sold, they peddled tracts filled with anti-human declarations that were carbon copied from the Hitler Nazis. Tracts which called for genocide against Negroes and Jews and Communists. Tracts which screamed out for dropping atomic bombs on all the socialist countries. Tracts which bore the crocked cross of the Swastika emblem. Tracts which were handed out by five young degenerates in the dress of Hitler's storm-troopers. (They gave out no literature.)

The Honorable William W. Scranton Page 3 18 February 1963

"But the representatives of the masses in this city of Brotherly Love were neither intimidated, terrorized, nor cowed by these Nazi Party hoodlums who represented in their program all that Americans have fought against, have sought to rid their nation and the world of. (Remember, five men!). WHEN THE NAZI THUGS APPEALED FOR MOB ACTION TO PREVENT GUS HALL FROM SPEAKING ON THE WAYS TO CONTINUE AND FULFILL THE DREAM OF OUR NATION'S FOUNDING FATHERS, THE PEOPLE GATHERED SOME TWO THOUSAND STRONG TO STAND WITH GUS HALL IN ONE SOLID PHALANX TO DO BATTLE WITH THE IMPUDENT FASCISTS (!!!).

"The Nazis called for a mob to act against the Communists (?), but what formed outside the Adelphia Hotel last Friday night was a militant guard of patriots who came as "mass delegations of observers" from the organizations of labor, the Negro people, (Jew) veterans and youth—they were non-Communists and many were anti-Communist (!!), but all were united with the Communists as a guard of honor in defense of all that is good and meaningful in America against the fascist outriders of the ultra-reactionaries, who plot to silence the people's demand for social advancement with a Hitler-styled muzzle of tyranny. (!!!)

imperative for safeguarding the rights of all from destruction at the hands of the ultra-reactionaries. And its corollary: when the people stand shoulder to shoulder setting aside political prejudices and actively face up to the real direction of the threat to our democratic liberties, the forces of the left and the Communists are revealed as the staunchest fighters for the true national interests against the right-wing and pro-rascist emenies of democracy. (!!!)

"The two thousand patriots in front of the Adelphia Hotel roared at the goose-stepping fascists (1), clobbered them, and put them to rout..." (!!)

(Quoted from The Worker of October 21, 1962. All emphasis is mine.)

I beg you to draw your own conclusions from these "patriotic" utterings!

Having thus established that--

The Honorable William W. Scranton Page 4 18 February 1963

- 1. The Nazis were denied the same protection that the Communists were granted;
- 2. That the Nazis had not had a chance to act in a disorderly manner:
- 3. It was the riotous mob which was responsible for Breach of the Peace;
- 4. The mob was riotous and not the Nazis (If one argues that the American Nazi uniform is in itself an incite to riot because it represents the uniform of a foreign country and former United States enemy, let me cite that the American Nazi Party won the right to wear the same uniform in the courts of New York, it having been decided that the Nazi uniform was not the uniform of any present foreign country or enemy, and therefore was completely permissible);
- 5. Bail was set at an unlawfully high figure, in no way in proportion to the alleged "crimes;" and that
- o. Many elements in the crowd were actually responsible for the riotous condition and were members of notorious agitation and Left-Wing groups and that action on the part of the mob was successfully interpreted by the Communists in their official organ as action on the part of public-spirited citizens who saw it as their patriotic duty to stand side-by-side with and to help the Communists, who are, needless to say, dedicated to the destruction of the system on which their alleged patriotic friends defended them!

Yet these are only the beginning items on a long list of injustices shown these men of the A. N. P.

patiently for two and one half hours outside D. A. Crumlish's office for him to prepare this paper. Finally Captain asked a city employee to find out why he had to wait so long. The answer was simple and very typical of Philadelphia courtesy--D.A. Crumlish had left his office by the back door more than two hours before!

This was just downright harrassment, the likes of which is to be expected by people or organizations expressing "unpopular" views, but the next step was nothing short of legal treachery.

The American Nazi Party is not a wealthy organization, and Philadelphia is not a city in which one can readily find a lawyer who isn't horrified at the suggestion of defending a Nazi. When an organization is not financially well situated and expresses an unpopular view, there is an organization which has been formed for the express purpose of functioning under such difficulties—the American Civil Liberties Union. Captain enlisted the help of their organization. But the notoriously Left-Wing A. C. L. U. didn't exactly care for the idea of defending the Nazis.

Also, under such circumstances, the Bar Association is supposed to annoint legal connsel. One was appointed—
Attorney. But, in keeping with everything else so far, this good luch did not last very long. It quickly reached the ears of the Philadelphia Bar Association that the Nazi Party, in its motion for the Reduction of Bail, stated it could afford to pay \$100 bail for each of the five men. This, the Bar Association reasoned, was synonymous with saying that the Party could afford to retain a lawyer; and Mr. undoubtedly with a sigh of relief, was removed from the scene of action.

As a hearing was scheduled for the 19th of October and the men needed legal counsel, the A. C. L. U. appointed a man to represent them at that hearing. His name was Attorney. As the Party had no alternative

b70

The Honorable William W. Scranton Page 6 18 February 1963

but to engage counsel and as Mr. had handled the first step satisfactorily, the A. N. P. engaged him on a fee basis, rather than go to the time and expense of "flushing" out another lawyer who would defend the men. I call that a pretty sneaky strick.

Getting back to the hearing on the 19th of October, I would, with your indulgence, like to relate a few facts regarding it.

First, the court in which the hearing was to take place was not mentioned in the leading Philadelphia papers. Upon inquiry at City Hall. I was told that it would be held in a certain court at City Hall. Assuming this information to be correct, I and two of my friends sat in that certain court on the 19th for three hours, during which time we had the honor to witness all kinds of cases, namely involving Negroes. Around noon the court was dismissed without even a mention of the Nazis. We later learned that the procedings had taken place at the 20th and Pennsylvania Boulevard Police Precinct Court, 🔻 Magistrate E. David Keiser presiding, at approximately 10 a.m., that morning! In other words, the three of us had wasted our time and expenses to watch a three-hour show of parading blacks, while the hearing for the Nazis was going on some six blocks away! One could understand such an error in a complex city government, but this was no error but intent; for in the edition of the Jewish Times of the same day, the place and time of the hearing were clearly stated!--

7. Philadelphia's "cooperation" in seeing that they were "equal before the law." Maybe Nazis are not just quite as equal as other people!

The outcome of this hearing on the 19th of October was that the men were found guilty of Disorderly Conduct and were sentenced to \$10 fine or 30 days inprisonment and the charge of Breach of the Peace charge was dropped—in preference to another larger charge—Conspiracy to Incite to Riot! The motion for the Reduction of Bail was refused. As the men felt they were not guilty of Disorderly Conduct, they chose to serve the 30 days rather than pay the fine. Evidently, this was all very much a surprise, even to the

b6 b7C The Honorable William W. Scranton Page 7 18 February 1963

Jewish element, which expresses itself thusly, in the same edition of the Philadelphia Jewish Times as afore mentioned:

"Speculation as to what would happen at the hearing this morning is almost unamimous. Because of no prior convictions and a charge of disorderly conduct, which is a minor charge, there is insufficient evidence to hold them for trial. They will probably be fined and sent scurrying home to their so-called Fuhrer."

Interesting?

For the next two months, Writs of Habeas Corpus—almost as many as I can count on one hand-were introduced into the courts, first by the Party then by Mr.

b6 b70

As we both know, it is clearly stated in the laws of the United States that the privilege of the Writ of Habeas Corpus shall not be denied, and we know that such Writs are usually honored within 48 hours at the most. Yet every Writ of Habeas Corpus submitted for these men has so far been dismissed or denied on different grounds, the most frequent of which has been that the document wasnot correctly prepared. It is understandable that this might happen once or even possibly twice, but in this case it has happened three or more times!—

8. How is it possible to deny these men the right to the Writ of Habeas Corpus?

There followed an arraignment on November 13, 1962, Judge Gold presiding, on the Incite to Riot and Conspiracy to Incite to Riot charges, and the men were held for the Grand Jury.

This began a series of very odd procedings.

Hearing on an Appeal on the Disorderly Conduct charge was rescheduled three times: November 16, 1962; November 21, 1962; and December 3, 1962, Magistrate David L. Ullman

The Honorable William W. Scranton Page 8 18 February 1963

presiding. At that time, the 3rd of December, in the Court of Common Pleas, a writ of Habeas Corpus was denied, the Appeal was postponed, and the bail was reduced to \$1,500 each. There may have been other postponments during this time, also, of which I have no record. It has not been easy to keep up with this "legal game." There were also several arraignments and postponments of arraignments on the charges for the Grand Jury: November 11, 1962; November 27, 1962; and December 7, 1962. Before I go further, let me call to your attention some information regarding Magistrate David L. Ullman.

Magistrate Ullman is, first of all, a Jew. And he is not just "a" Jew, but is active in Jewish affairs as indicated by the following quotation from Common Sense, a Rightist newspaper published in Union, New Jersey (October 1, 1962):

"ALL JEWISH GROUPS URGED TO CONSULT ON INTEGRATION

Boston (NJP) -- The view that consultation between all the Jewish agencies and the Jews of all parts of the U.S. on problems involved in the school integration fight was desirable was expressed by several speakers at the 17th plenary session here of the National Community Relations Advisory Council. The NCRAC is the over-all Jewish agency involved in community relations work.

David L. Ullman was reelected chairman of the group."
(National Jewish Post, June 20, 1958).

He has also been active in integrationist programs, as shown in an article in the Philadelphia Evening Bulletin, dated September 21, 1954. It involves the the case of the segregation of the Boulevard Pools, Roosevelt Boulevard and Princeton Avenue, in Philadelphia, along with Mr. who was representing the Friends Race Relations Committee, and other "liberals," as, I gather, a plaintiff.—

9. Would you not say that a proven active Jewish liberal would be inclined against proven active anti-Jewish

The Honorable William W. Scranton' Page 9 18 February 1963

Right-Wing Nazis and would therefore be inclined to be prejudiced against them? Can you help but agreeing that such a person would not be the type in whose hands to place such a case, unless, of course, the case had been so placed in the hope and expectation that these men would not receive a fair judgment?

But no, this was not enough! There followed four reschedulings of the trial before the Grand Jury: January 3, 1963; January 17, 1963; January 24, 1963; and February 25, 1963.--

10. What has happened to the American right to a speedy trial?

These men have been given four months of legal run-around. There can be only one explanation: There is actually no case against them and the City knows it? By these postponments the City hopes to discourage and torture these men, only in the end to find them innocent (Just as the Jewish Times predicated they would be found four months ago!). In that case, there is no doubt in my mind that these men will have grounds for the most justified and the biggest suit against this City that it has ever seen!

I could go on with more examples like these-how the men were split into twos in the prison, Moyamensing, so that they could not communicate (This was confirmed to me by the Social Worker in the prison itself): how the youngest and most recent Party member, almost climbed his cell walls until his parents bailed him at \$2,500; how was disregarded, although seriously ill, until finally the Party scraped together enough money to bail him last week; how letters between there and myself were delayed for a week before they arrived; how they are not allowed to receive any Party publications; how, after having no trouble for some months, I have suddenly been refused permission to see them on grounds that my visits do not serve a "constructive purpose"; i.e. their demoralization; how their officers have driven all the way from Arlington several times to attend procedings that never occurred!.... ad nauseum.

The Honorable William W. Scranton Page 10 18 February 1963

My dear Governor, I keep having the feeling that this is all abad dream and that I will wake up any time and find out that this really is America. I have been "rubbing my eyes" for four months now, and I am convinced that I amawake and that this is no dream—it is a nightmare!

Sincerely yours,

Re: AMERICAN NAZI PARTY

On April 13, 1963, a source, considered reliable, furnished information contained in the "Intra-Party Confidential Newsletter" published by the American Nazi Party (ANP), Arlington, Virginia.

A characterization of the ANP is attached hereto.

The "Newsletter" stated, in its issue of March 26, 1963, that a new, sizeable youth unit is being launched in Salt Lake City, Utah.

This same issue stated that a concerted effort to run the party out of Chicago is being made. The owner of the building housing the Chicago headquarters is reportedly selling the building and has offered it to the ANP, as a result of which \$1,500 must be raised by April 1st.

A paragraph in this issue concerned itself with the	Thi	s same issue refe	red to a "	'Party suppo nona, Califo	rter", rnia. b6	* 5
fact that "Major" was dispatched to Miami to regroup forces before taking the offensive again after the difficulties encountered by and	lact that "Ma forces before	Jor was dis taking the offens	spatched to	Miami to r	with the	'C

A paragraph in this same issue states "As a result of intensive ANP activity in Southern Florida, Rep. Claude ("Red") Pepper has introduced a bill in Congress to outlaw the Swastika and the hammer-and-sickle symbols. We expect the bill to pass eventually, but see two good effects: [swittowill prove we are the only right-wing organization feared enough to pass laws against, thus smashing the Jew-spy lies, and A) 10 WPPI enable us to launch one of the largest national agitation campaigns in our history. Incidentally, New York State—is pushing a similar bill, banning only the Swastika.

Re: AMERICAN NAZI PARTY

Under "NOTICES" the issue states that Rockwell, self-designated leader of the ANP, has called a National Convention of the ANP and all affiliates to be held in Chicago on November 30, 1963.

Under "PROJECTS" the issue stated that all Party stalwarts are asked to send in the names of Birch Society people, or names of those suspected of being Birchers. The paragraph further points out that many Birch units are defecting to the ANP.

This same source furnished information from the "Intra-Party Confidential Newsletter" dated April 2, 1963, indicating the STORMTROOPER (published by the ANP), is being offered for sale on a newsstand in Washington, D.C.

This issue further stated that a reprieve had been obtained in connection with the Chicago Headquarters, but that the greater part of the \$1500 remained to be raised. A notation was included to indicate that had been promoted to the rank of "Captain" in the ANP.

A paragraph stated that on March 29, 1963, literature was distributed by a New Racist organization in Baltimore.

A paragraph stated that Emory Burke, who recently resigned from the National States Rights Party, plans to open a school for the training of white leaders in Montgomery, Alabama.

A paragraph was devoted to "West Coast Action" stating b6 "We are now organizing a large influx of young men, many of them b7c from UCLA and other universities."

This issue stated that a one hour TV program on the ANP was shown over Germany's only network on March 3rd. The program was stated to have been filmed in and around the Arlington Headquarters and included interviews with "The Commander".

Concerning the Vinland Book Store, a notation indicated that although it was formerly located in Chicago, it is being reorganized under "Lt." with a new mail order address at Post Office Box 1633, Washington 13, D.C.

The source said that both and Dan both Durros, former member of the ANP, deserted the ANP in November, 1961.

The source also stated that he was of the opinion that there was a feeling of unrest and dissatisfaction smong the members of the ANP because Bockwell has not followed through with some of his statements concerning the growth of the ANP.

The source said that he feels that the finances of the ANP are at a low ebb and Rockwell has not been able to make his long trips as he had planned in the past.

AMERICAN NAZI PARTY
Also Known As World Union of Free
Enterprise National Socialists,
George Lincoln Rockwell Party

A source advised on February 27, 1959 that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement but that the section of the organization in the United States would be known as the American Party of the WUFENS:

ROCKWELL, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS, stating that he expects to become the President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards; talks by ROCKWELL attacking Jews as traitors to the United States; attempts by ROCKWELL to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. ROCKWELL prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

On June 29, 1962, the State of Virginia revoked the charter of the American Nazi Party.

On September 20, 1962, the State Corporation Commission of Virginia issued a charter for a "George Lincoln Rockwell Party". The second source mentioned above advised on September 24, 1962 that ROCKWELL will continue to carry on his activities, using the name American Nazi Party merely to be able to do business as a corporation.

AMERICAN NAZI PARTY,
Also Known As
World Union of Free Enterprise National Socialists
(Washington, D.C.)

A source advised on August 15, 1962, that the American Nazi Party (ANP), whose leader is GEORGE LINCOLN ROCKWELL, maintains its headquarters at 928 North Randolph Street, Arlington, Virginia.

The main activity of the ANP in Washington, D.C., consists of picketing with placards which contain anti-Jewish and anti-Negro remarks. During some of the demonstrations, ANP literature is passed out.

Racial Matters

On April 30, 1963, a source, who has furnished reliable information in the past, advised that and other members of the American Nazi Party (ANP) were being sent to Chicago, Illinois on May 1, 1963, in a mass transfer because of opposition they have shown to George Lincoln Rockwell. leader of the ANP, for Rockwell's reinstatement of to the ANP.
The source stated that the headquarters of the ANP will remain in Arlington, Virginia and not be transferred to Chicago as previously reported. The source stated that the transfer of ANP members to Chicago by Rockwell is merely an "assertion of power" by Rockwell and not for the purpose of re-establishing ANP headquarters in the Chicago area.
The source stated that Rockwell felt his power as ANP leader was being challenged and in order to show he was still in command he transferred the members to Chicago.
The source further advised that it is possible that ANP Lieutenant will break completely with Rockwell and the ANP, because of reinstatement, and may form an organization of his own.
The source added that mentioned above, is likewise in disagreement with Rockwell and stated that he will not go to Chicago even though Rockwell has ordered him to do so.
The source advised he was unable to furnish any additional information at this time.
